### DESCRIPTION

**Anthony & Paul** was **Anthony Burke** and a mysterious **Paul**. **Two Daughters** were recording in Brixton around 1980-1982 and were closely connected to the Industrial Records and **Throbbing Gristle** gang. They recorded a debut tape called, *Ladder of Souls* released on their own Methane Music in 1980. Their one-and-only LP *Kiss The Cloth / Gloria* was released in 1981 on Anthony & Paul Records, a sub-division of United Dairies Records the label run by **Stephen Stapleton** of **Nurse with Wound**. The LP then also got reissued on United Dairies in 1987. A substantially edited version of "Return Calls - We Are" can be found on the Cherry Red compilation, *Perspectives and Distortion* (1982). The music and unique percussion-driven style of ambient and experimental sounds are in the vein of bands like **O Yuki Conjugate** - they still hold the test of time. Anthony passed away in 2004.
