DESCRIPTION

World-renowned drummer-composer **Valentina Magaletti** teams up with music producer and multi-instrumentalist **Zongamin** in their East London studio to create an album of dub/post-punk influenced material, featuring **Vanishing Twin's** **Cathy Lucas**, **Coby Sey**, and **Venus Ex Machina**. Dub postcards, east London boats, reflections in the eye of a cat, swallowing your tarot card, spitting echo from calming substances, yellow paint on the shut-down local brunch spot, post-punk golden rules, shaking metal memories in a glass jar.
