DESCRIPTION

Fully licensed and limited to 500 copies. An acid-folk masterpiece finally revealed. When two worlds collide, here's where the legacy of **Tim Hollier** begins. His first album was released on United Artists in 1968, and this long overdue reissue is a definitive statement of the master genius. Guest on the opening night of a Beckenham folk club run by his friend **David Bowie**, Hollier recorded *Message To A Harlequin* with the assistance of **Donovan** arranger **John Cameron**. Hollier was also a regular on London's folk club circuit for several years alongside the likes of **Paul Simon**, **Al Stewart**, and **Nick Drake**. Here's your chance to finally grab his visionary songwriting.
