DESCRIPTION

Finnish duo **Lampen** presents their second album *Halogen* on We Jazz Records. Lampen is **Kalle Kalima** and **Tatu Rönkkö**. Kalle plays guitar, Tatu plays percussions and sampler. The band makes its home between Helsinki and Berlin, where Kalima is based. Lampen's sound is reminiscent of the wide-screen meditations of the likes of **Earth** and **The Necks**, but on a territory of their own. Think meditative deep contemporary jazz drawing from way outside of the genre's borders and landing somewhere with heightened levels of low-key sonic intensity. Ideas form in time and nothing is rushed, and when you land in the full eruption of the duo's force, you get there surprisingly yet logically.
