## DESCRIPTION

We Release Jazz announces an exciting new body of work by **Joseph Deenmamode** aka **Mo Kolours**. A catalog of critically acclaimed records, including his self-titled debut (2014), *Texture Like Like Sun* (2015), 2018 album *Inner Symbols* and three companion EPs, established Deenmamode as a prodigious musician and vocalist. The tracks on *Original Flow* have been constructed from sessions, improvisations and soundbites captured around the world; collecting contributions from musicians including Deenmamode's brothers **Reginald Omas Mamode** and **Jeen Bassa** plus **Andrew Ashong**, **Charles Bullen**, **Dwayne Kilvington**, **Eddie Hick**, **Stefan Asanovic**, **Myele Manzanza**, **Ross Hughes**, and **Tom Dreissler**. *Original Flow* is an album of UK street-soul nouveau, future indigenous jazz fusion, Rasta Segga, Nyahbinghi jazz, Malagasy Hebrew hip hop. While retaining a spirit of exploration and improvisation, it sees Deenmamode grow and flex beyond beat tape brevity, expanding composition and stretching his musical muscle to play live with other musicians. Themes of empowerment, overcoming adversity, and mental liberation coexist with notes from ancient history, futurism, and science, as well as musings on family and togetherness.
