### DESCRIPTION

WRWTFWW Records presents a one-of-a-kind collaboration release between buzzing UK producer and DJ **Pizza Hotline** and Swedish electronic and synth icon **Mitch Murder**, delivering three gigantic tracks each for the *Anti Gravity Tournament* album, available as a limited-edition LP housed in a heavyweight 350gsm sleeve illustrated by the legendary **junkboy**. Inspired by the classic *WipEout* video game series, this high-energy boosted split-album transports listeners into the futuristic world of anti-gravity racing, a colorful turbo adventure soundtracked by six mega tracks of fast-paced atmospheric jungle, thunderous breaks, and liquid drum and bass. The adrenaline-fueled collection delivers maximum energy and dreamy vibes, a true paradise for fans of '90s/Y2K video games, **LTJ Bukem**, **Peshay**, **Soichi Terada**, and previous efforts by Mitch & Pizza. *Anti Gravity Tournament* follows two critically-acclaimed albums by Pizza Hotline – *Level Select* and *Polygon Island*, both still available on WRWTFWW Records, as well as the limited *Low Poly Breaks* cassette series which sold out in a few minutes. Mitch Murder is known as one of the originators of synthwave and has released timeless albums on Rosso Corsa Records, Mad Decent, and My Pet Flamingo (TimeSlave Recordings). He is also the man behind the *Kung Fury* soundtrack and has collaborated with **David Hasselhoff** himself! The astonishing exclusive artwork comes from the one and only junkboy, creative director at Mojang Studios (*Minecraft*) and all-around design grandmaster. Fasten your seatbelt and join the fun.
