## DESCRIPTION

WRWTFWW Records is continuing its fruitful and blissful collaboration with New York ambient/jazz/downtempo musician **Danny Scott Lane** with the first-ever vinyl release for his 2021 cassette album *Caput*. The 12-track beauty is available as a limited-edition LP (500 copies worldwide) housed in a marvelously designed heavy 350gsm sleeve. The album is also available digitally. Originally released on cassette only, *Caput* is desert music inspired by the city, a serene and cozy soundtrack of contemplative synth, mini pleasure-grooves, and botanical ambient jazz, sure to gently pacify the emotionally conflicted and make small moments the best moments. Scott Lane's smooth downtempo is like a cushiony bubble of simple life, protecting the mind from noise and stress. It's the comforting hand on the shoulder, the blanket that keeps warm, the easy Sunday morning breakfast - caring chillout music to escape from the brouhaha. *Caput* follows the adorable, so comfy, and beloved soundscapes *Home Decor* (WRWTFWW 077LP, 2023) and *Shower* (WRWTFWW 086LP, 2023), and thus marks the third Danny Scott Lane release on the label - and surely not the last! Complete the collection now and feel the joy of being alive.
