DESCRIPTION

WRWTFWW Records presents *Bamboo Night*, the steamy new album from French producer, Astral Soda Records owner, and illustrator, **Albinos**. The eight-song ambient house/cool jazz/deep chill electronic intimate marvel is available as a limited-edition LP housed in a heavy 350gsm sleeve. Originally self-released on cassette (25 copies only!), *Bamboo Night*, now polished and refreshed, is fully out and about on collector's vinyl, offering a large display of chillout options for a sexy late summer and private moments of pure unadulterated bliss. The sun-soaked album freely spreads its wings and glides from bedroom deep house to ambient groove and every beautiful thing in between, including but not limited to cool jazz to restore the soul, long-slow-deep breath downtempo, sweet eye gazing lofi pop, and an unexpected but mandatory ode to the Honda Civic. Albinos' second album, following *Santa Barbara* (2016), is a welcome detour on stress-free seashores, a heartwarming reminder that small pleasures and cozy moments mean everything. Enjoy music, cherish life.
