### DESCRIPTION

**Old Saw**, the enigmatic New England collective led by **Henry Birdsey (Tongue Depressor)**, return with their third long-playing record, *Dissection Maps*.

"It is not enough to trace the fields. The choreocartographic demands the casting of stone, a grassfire, a carnival; something with which to rupture the horizontality of existence and imagine the vertical. Earth is the eighth morning, folded against the week's work. The field is a line drawing of oblivion. The house is a forest in the shape of a womb. America is a quarry in the image of god." —**Aidan**

**Patrick Welby**, 2024
