

Phill Niblock

DESCRIPTION

1993 release. *Music by Phill Niblock* features **The Soldier String Quartet** performing in *Five More String Quartets*, a piece for five multi-tracked string quartets and in *Early Winter* for flute, bass flute, string quartet, and synthesizer, also featuring **Susan Stenger** (flute) and **Eberhard Blum** (bass flute). In *Five More String Quartets* the musicians are tuned to specific pitches by calibrated sine tones as they play and the sound they produce is recorded, unprocessed, to multitrack tape. The piece is built up by means of multitrack recording. *Early Winter* has a different structure: a mixing of recorded instruments, computer controlled electronic instruments, and live instruments in the studio.
