### DESCRIPTION

*XKatedral Anthology II* is the second instalment in a series of archival releases dedicated to presenting music by composers affiliated with XKatedral working within the realm of slowly evolving harmonic and timbral music. This double-vinyl set contains an array of pieces dating from 2018 to 2020. This collection of pieces focuses on the use of synthetic sound and algorithmic composition languages as tools for precise work within the realm of spectral exploration. In addition to this, the electronic instrumentation in many of the pieces is augmented by acoustic instruments. Featuring: **Kali Malone, Jessica Ekomane, Mats Erlandsson, Theodor Kentros, Wilma Hultén, Maria W Horn.**
