DESCRIPTION

Joey Negro's 2019 Essentials is a similar proposition to the successful *Remixed With Love* series (ZEDD 030CD, 038CD, 045CD), albeit slightly more house-y in places. This double CD contains four exclusive new remixes of disco classics from **Double Exposure**, **The O'Jays**, **Tamiko Jones**, and **Delia Renee**. Along with these are a selection of the best Joey Negro remixes from what has been a great year musically including his reworks of **CeCe Peniston**, **Horse Meat Disco** featuring **Kathy Sledge**, and **Sunkids**. Joe Negro also originated some new music in 2019 under the aliases of **Mistura**, **Doug Willis**, and **Lakeshore Commission**, which are also included; add to this remixes of Zedd classics from **Grant Nelson**, **Crakazat**, and **Dr. Packer**. Only one of the 19 songs has been available on CD before. Also features: **AC Soul Symphony**, **Delia Renee**, **Bobby D'Ambrosio**, **Raquel Rodriguez**, **D.C. LaRue**, **Crackazat**, **Wardell Piper**, **Foreal People**, **JKriv**, and **Z Factor**.
