### DESCRIPTION

Originated in the Brussels DIY, indie rock and noise scene, a new kid on the block appears: **Another Dancer**. They deal in utopian music – of the open, welcoming and whatsoeverish kind. It's fresh, snotty, neurotic art-rock deeply rooted in '80s/'90s DIY aesthetics. The songs on their debut album balance gently between forgotten pop hits and broken sound experiments. In their world, any shitload of weird, random, and badly synchronized sounds unveil broken-hearted pop mastery. In the Another Dancer universe, radios are stuck to WFMU and Soulseek is a self-conscious AI producing '80 psychedelic FM-rock. Brussels-based Another Dancer is outdated, wild at heart and elegantly shy. Their full album *I Try to Be Another Dancer* is out on Bruit Direct Disques and Aguirre. Another Dancer is: **Dries Robbe, Margo Mot, Mike Crabbé, Lucas Schreel, and Timo Vantighem**. RIYL: **Beat Happening, Stereolab, Suburban Lawns, Talk Talk, Guided By Voices**.
